## Strength Together

### TEMPUR+SEALY

- Strong balance sheet and cash flow
- Best in class supply agreement and logistics
- Iconic brands and consumer preferred products
- Powerful omni-channel platform

### SHERWOOD<sup>®</sup> BEDDING

- Historically solid profitability
- Exceptional, seasoned management
- Efficient operating model for making entry level, high velocity products
- Ability to produce full breadth of products resulting in high margins to retailers

#### Both Companies

- ✓ Shared value for customer service
- ✓ Shared goal of becoming a one-stop solution of branded, non-branded products, service, and marketing

## Sherwood Bedding Company

- **Background:** Sherwood is a top 10 US bedding manufacturer primarily focused on private label and OEM bedding with 4 plants across the US. In addition, Sherwood produces branded products for certain customers.
- **Financial Overview:** Annualized wholesale revenues estimated to be over \$150 million<sup>(1)</sup>, historically solid profitability.
- **Go-Forward Strategy:** Operate and go-to market as an independent business unit within the Tempur Sealy enterprise. Leverage Tempur Sealy scale for synergistic opportunities to strengthen low-cost producer status.

# Transaction Overview

## Acquisition Details

- On January 24, 2020, Tempur Sealy International entered into an agreement to acquire 80% ownership
- The transaction will be structured as a cash purchase of approximately \$40 million or about 4x EBITDA<sup>(1)</sup>
- An experienced management team is responsible for day-to-day operations with a governing board

## Financial Profile

- Sherwood Bedding is a top 10 US bedding producer, with estimated annual wholesale revenues of over \$150 million<sup>(2)</sup>
- Expected to self fund its future growth

## Long Term Outlook

- Build upon existing relationships to deliver more value than either business could on its own by leveraging our strong combined assets
- No personnel reductions are expected and, over time, the Company believes that other cost synergies can be realized to benefit all brands and customers

(1) This financial measure is not recognized under U.S. Generally Accepted Accounting Principles ("GAAP"). Management believes that the use of EBITDA provides investors with useful information with respect to the Company's operating performance and comparisons from period to period. For a more detailed discussion of this non-GAAP financial measure, including a reconciliation to the closest GAAP financial measure, please refer to the Company's SEC filings.

(2) Management estimates

## 2019 A Year in Review

Completed the launch of the all-new line of Tempur-Pedic products

Announced that we were expanding our distribution with a new supplier agreements

Focused on executing the largest expansion of new doors in the Company's history

*Many other workstreams were ongoing through 2019 to support long-term initiatives*

*Marketing asset creation and deployment to address the changing consumer*

*International growth, despite country-specific headwinds that the Company expects to continue into 2020*

*Operations driving for improved efficiencies*

*IT department preparing Company for new ERP in 2020*

## 2020 Commentary

The Company expects to provide full year financial guidance during the fourth quarter earnings call in February 2020. In advance of this, the Company has provided the following comments on 2020.

The Company expects a favorable bedding market in the U.S. In addition to this, the Company expects:

- The expanded distribution will continue to be a material benefit in the first three quarters of 2020
- To continue to expand the direct business through new doors and capturing share online
- For Sleep Outfitters, which was executing a turnaround in 2019, to be profitable in 2020
- For Sherwood Bedding, when acquired, to be accretive to the existing business
- To continue investing in R&D, as well as investing a record amount of advertising dollars which is expected to be slightly up on a rate basis for the full year
- For commodities and compensation to be favorable to EBITDA<sup>(1)</sup> in 2020 versus 2019
- Favorable product launch expenses from the benefits of a longer product life cycle

(1) This financial measure is not recognized under U.S. Generally Accepted Accounting Principles ("GAAP"). Management believes that the use of EBITDA provides investors with useful information with respect to the Company's operating performance and comparisons from period to period. For a more detailed discussion of this non-GAAP financial measure, including a reconciliation to the closest GAAP financial measure, please refer to the Company's SEC filings.

TEMPUR+SEALY

Appendix

# Environmental, Social, and Governance

Tempur Sealy is committed to protecting and improving our environment and communities.

Environmental

- In 2018, 72% of our North American facility waste was recycled
  - 16,066 barrels of oil, 51,152 trees, 16,070,577 KW hours, 3,009 tons of CO<sub>2</sub>, 21,062,772 gallons of water

Social

- **Community Engagement**
  - Since 2011, donated nearly \$300M of mattresses to charity
  - Since 2017, more than \$4M in product donated to victims of natural disasters
- **Tempur Sealy Foundation**
  - Supporting charities that assist children and families in Central Kentucky

Governance

- Majority of Directors on the Board are Independent
- Subject executives to significant stock ownership guidelines and holding requirements
- Global Code of Business Conduct and Ethics
- Internal Enterprise Risk Management
- International ethics hotline
- Zero tolerance policy towards improper payments and bribes

# Aspirational Program<sup>(1)</sup>

- The Company has an Aspirational Program which is a unique long-term program designed to provide extraordinary compensation for extraordinary performance. The Company seeks to accomplish these goals in a way that rewards performance that is aligned with its stockholders' interest as exemplified by the Company's Aspirational Program.
  - Performance restricted stock units ("PRSUs") for approximately 1.7 million shares of the Company's common stock were granted to over 150 employees as of 12/31/19
  - PRSUs will vest based on adjusted EBITDA<sup>(2)</sup> performance measured on a rolling 4 quarter basis during two performance periods -- 2018 and 2019; and 2020
  - If the minimum performance target is met for the applicable period, awards become payable shortly after the applicable period. If an officer or employee leaves for any reason prior to vesting, all of his or her PRSUs will be forfeited, subject to certain limited exceptions

## Achievement Schedule

January 1, 2020 – December 31, 2020 (Period 2)			
Adjusted EBITDA	% of Total Grant of PRSUs That Will Vest	# Shares That Will Vest	Full Year Dilution Impact*
≥ \$650	50%	850,000	1.5%
\$600	33%	570,000	1.0%
< \$600	0%	0	0.0%

- Measured quarterly on a trailing four quarter period
- If an award is earned in the first period the program ends, subject to a change of control provision
- Prorated based on performance between \$600 & \$650, but is only payable at the end of the respective period

(1) For more information about the Aspirational Plan and the terms of the aspirational PRSUs, please refer to the Company's SEC filings, including the Company's Form 8-K filed on August 7, 2017. In addition, please refer to "Forward Looking Statements".

(2) This financial measure is not recognized under U.S. GAAP. Management believes that the use of Adjusted EBITDA provides investors with useful information with respect to the Company's operating performance and comparisons from period to period. For a more detailed discussion of this non-GAAP financial measure, including a reconciliation to the closest GAAP financial measure, please refer to the Company's SEC filings.

\*Assumed share count as of 12/31/19

# Forward-Looking Statements

This investor presentation contains statements that may be characterized as "forward-looking" within the meaning of the federal securities laws, which includes information concerning one or more of the Company's plans, guidance, objectives, goals, strategies, and other information that is not historical information. When used in this release, the words "assumes," "vision," "may," "strategy," "estimates," "expects," "guidance," "anticipates," "seeks," "projects," "plans," "proposed," "targets," "intends," "goals," "believes," "will," and variations of such words or similar expressions are intended to identify such statements. These forward-looking statements include, without limitation, statements relating to the Company's expectations regarding performance generally for 2020 and subsequent periods, as well as the performance of Sleep Outfitters USA, LLC ("Sleep Outfitters") in 2020, the Company's expectations relating to Sherwood Acquisition Holdings LLC's ("Sherwood Bedding") on-going operations and future growth, cost synergies, personnel and the impact of the potential acquisition on the Company's brands, products, customer base, results of operations or financial position, the Company's expectations regarding optimizing worldwide distribution, expanding the direct-to-consumer business (including the Company's Tempur-branded retail store presence), investment in research and development, favorable commodities, favorable product launch expenses and the length of the product life cycle, the Company's Aspirational Program and ongoing productivity initiatives. Any forward-looking statements contained herein are based upon current expectations and beliefs and various assumptions. There can be no assurance that the Company will realize these expectations or that these beliefs will prove correct. The Company undertakes no obligation to update any forward-looking statement contained herein to reflect events or circumstances after the date on which such statement is made.

Numerous factors, many of which are beyond the Company's control, could cause actual results to differ materially from those that may be expressed as forward-looking statements in this presentation. These risk factors include the impact of the macroeconomic environment in both the U.S. and internationally (including the impact of highly inflationary economies) on the Company's business segments and expectations regarding growth of the mattress industry; uncertainties arising from global events; the effects of strategic investments on the Company's operations, including efforts to expand its global market share; the ability to develop and successfully launch new products and the related expenses and life cycles of such products; the efficiency and effectiveness of the Company's advertising campaigns and other marketing programs; the ability to increase sales productivity within existing retail accounts and to further penetrate the retail channel, including the timing of opening or expanding within large retail accounts and the timing and success of product launches; the ability to continuously improve and expand the Company's product line, maintain efficient, timely and cost-effective production and delivery of products, and manage growth generally and in connection with the new or expanded supply agreements with Mattress Firm, Inc., Big Lots, Inc. and Beter Bed Holding N.V.; the effects of consolidation of retailers on revenues and costs; competition in the Company's industry; consumer acceptance of the Company's products; general economic, financial and industry conditions, particularly conditions relating to the financial performance and related credit issues present in the retail sector; financial distress among the Company's business partners, customers and competitors; financial solvency and related problems experienced by other market participants; the Company's ability to execute on its strategy to optimize and integrate the assets of Innovative Mattress Solutions, LLC ("iMS") acquired by the Company's affiliate Sleep Outfitters; whether the potential acquisition of Sherwood Bedding will occur; risks associated with Sherwood Bedding's ongoing operations and the possibility that the expected benefits of the potential acquisition are not realized when expected or at all; the Company's reliance on information technology and the associated risks involving potential security lapses and/or cyber-based attacks; the outcome of pending tax audits or other tax, regulatory or investigation proceedings and pending litigation; changes in foreign tax rates and changes in tax laws generally, including the ability to utilize tax loss carryforwards; the Company's capital structure and debt level, including its ability to meet financial obligations and continue to comply with the terms and financial ratio covenants of its credit facilities; changes in interest rates; effects of changes in foreign exchange rates on the Company's reported earnings; changing commodity costs; disruptions in the supply of raw materials, or loss of suppliers; expectations regarding the Company's target leverage and share repurchase program; sales fluctuations due to seasonality; the effect of future legislative or regulatory changes, including changes in international trade duties, tariffs and other aspects of international trade policy; the Company's ability to protect its intellectual property; and disruptions to the implementation of the Company's strategic priorities and business plan caused by abrupt changes in its executive management team.

Other potential risk factors include the risk factors discussed under the heading "Risk Factors" under ITEM 1A of Part I of the Company's Annual Report on Form 10-K for the year ended December 31, 2018. There may be other factors that cause the Company's actual results to differ materially from any of those expressed as forward-looking statements herein.

## **Note Regarding Historical Financial Information:**

In this investor presentation we provide or refer to certain historical information for the Company. For a more detailed discussion of the Company's financial performance, please refer to the Company's SEC filings.
